

SARAH K. RUSSELL – WEB DEVELOPER

sarah@skrdesign.com – skrdesign.com

INTRODUCTION

- Over a decade of experience working professionally as a Web Developer. Known for improving process, production time and producing semantic, reusable code that is thoroughly tested, up to current web standards and delivered on time.
- Looking for a remote, full time, Web Development position with a company where I can make important contributions to the team and product, grow professionally and personally, aid and learn from colleagues.
- I love Web Developments' constant changing nature that allows for continued learning, there are always new areas of the field to expand into. Currently exploring new layouts possibilities with CSS Grid and have always been passionate about web Typography and Accessibility.
- *"Sarah takes on challenges and is determined to overcome obstacles. She is not satisfied until she is 100% done with a project. She is fantastic at communicating the best way for the best situation. Sarah is great at taking on the initiative of learning new things."*
– Annual Review quote by K. Wynns, Supervising Manager at ProfitStars.

PROFESSIONAL EXPERIENCE

ProfitStars; a Jack Henry & Associates Company | Nashville, TN | January 2014 – April 2019
Advanced Web Developer

Built over 90 responsive websites for financial institutions that precisely matched the designers' mockups and wireframes.

- Helped streamline the teams' website development by reviewing and improving processes to shorten project timelines, updating and creating reusable code.
- Communicated and worked well with a team made up of graphic designers, web developers, project coordinators, and managers while working remotely. Effectively translated website terminology and processes for client comprehension.
- Aided colleagues and helped new hires onboard. Contributed to process documentation.

SKR Design LLC | Conifer, CO | May 2003 – Present

Web Developer and Owner

Design and develop websites that meet the clients' needs, within budget and on time.

- Handle all aspects of the website project: design, branding, web developing, hosting, adding to a content management system (CMS), launching and maintaining.
- Develop websites that best reflect the client while providing a positive, easy to navigate experience for the user.

RELATED PROFESSIONAL EXPERIENCE

Axiom | Nashville, TN | July 2009 – January 2014

Content Developer (promoted from Content Specialist)

Coded high quality business to customer email campaigns by transforming client provided mockups into HTML/CSS responsive emails.

- Improved coding practices, cutting down production time and implemented responsive coding guidelines.
- Content lead for; Sam's Club, American Cancer Society, P&G, and Qwest. Provided technical suggestions and recommendations directly to the client.
- Member of Associate Satisfaction Survey Results Committee, Nashville Office Events Committee, and Platform Quality Assurance Group that reviewed current industry standards and implemented our findings across the company.

EDUCATION

Bachelor of Design, Visual Communications Design (Graphic Design)

University of Alberta, Edmonton, Alberta, Canada
