

# SARAH K. RUSSELL – FRONT-END DEVELOPER

Greater Denver Area - Conifer, CO 80433

sarah@skrdesign.com - <https://skrdesign.com>

## QUALIFICATIONS SUMMARY

- Working professionally over 16 years as a Front-End Developer. During the last 5 years, built over 90 financial websites to match their wireframes / mockups pixel perfectly.
- “Sarah takes on challenges and is determined to overcome obstacles. She is not satisfied until she is 100% done with a project. She is fantastic at communicating the best way for the best situation. Sarah is great at taking on the initiative of learning new things.”  
- Annual Review quote by Supervising Manager at ProfitStars.

## SKILLS

- **Expert:** Front-End Development, HTML5, CSS3 (Sass & Less), Responsive Design, Bootstrap, Foundation, developing without a framework.
- **Advanced:** CSS Grid & Flexbox, Web Content Accessibility (WCAG) AA ADA / Section 508 standards, NPM / Yarn, Node.js, Grunt / Gulp, Mustache / Handlebars, Browser and Device Testing, Content Management Systems (CMS), Command Line, Adobe Photoshop and Illustrator.
- **Intermediate:** JavaScript, jQuery, Git versioning, Search Engine Optimization (SEO).
- **Beginner / Learning:** PHP, React.

## PROFESSIONAL EXPERIENCE

### **ProfitStars, a Jack Henry & Associates Company**

Nashville, TN

Advanced Front-End Developer

January 2014 – April 2019

Developed over 90 responsive websites for financial institutions that precisely matched the designers’ mockups.

- Helped streamlined the teams’ website development by reviewing and improving processes to shorten project timelines, update and create reusable code.
- Mentored colleagues and helped new colleagues onboard.
- Worked and communicated well with a team made up of graphic designers, front-end developers, project coordinators, and managers. Effectively translated website terminology and processes for client comprehension.

## **SKR Design LLC**

Front-End Developer / Owner

Conifer, CO  
May 2003 – Present

Design and develop websites that meet the clients' needs, within budget and on time.

- Handle all aspects of the project: branding, design, developing, hosting, launching, adding to a content management system (CMS), and maintaining the site.
- Develop websites that best reflect the client while providing a positive, easy to navigate experience for the user.

## **R E L A T E D   P R O F E S S I O N A L   E X P E R I E N C E**

### **Black Market Research (band)**

March 2009 – June 2017

Nashville, TN

### **Tyrone Carreker Band**

February 2012 - March 2014

Nashville, TN

Front-End Developer & Social Media Manager

- Designed, built and maintained websites.
- Regularly maintained, designed and sent email newsletters to fans. Represented the band on social media and at local shows.
- Managed three successful Kickstarter campaigns that raised money to produce the bands' albums.

## **R E C E N T   S I T E   B U I L D S**

All of the following sites were built with; responsive design, mobile first, HTML5, CSS3 (Sass), JavaScript, jQuery, Git versioning, SEO, FTP site and file managed, built to Web Content Accessibility (WCAG) AA ADA / Section 508 standards.

- **Foothill Flyers Disc Golf Club** <https://ffdg.net>  
Front-End Developer and Designer August 2019  
CSS Grid layout, Parallax homepage, sticky navigation bar, bare Foundation base, Yarn, and added to a content management system (CMS). Pro bono work for local club.
- **Central Bank of Kansas City** <https://centralbankkc.com>  
Front-End Developer, built while at ProfitStars April 2019  
Developed with Bootstrap, CSS Flexbox, Parallax homepage, Node.js, and added to a content management system (CMS).
- **SKR Design LLC – My portfolio site** <https://skrdesign.com>  
Front-End Developer and Designer January 2019  
Homepage built with a CSS Flexbox layout while the interior was more suited to CSS Grid. Foundation base with Yarn. Designed inspired by love of books and continued learning.

**E D U C A T I O N   Bachelor of Design**, University of Alberta, Edmonton, Alberta, Canada
